

# Fund Rules Changes Summary – 1 July 2024

## Fund Rules changes

Update: Product Schedules updated to reflect product changes

- Product schedules updated to reflect increases in dental benefits and limits for various products.
- Product schedules updated to reflect optical benefits improving to 100% up to annual limits for non-network providers for various products.

Update: Provider arrangements for general treatment

- Phrasing updated to outline benefits may vary from those stated in our standard product schedules where Defence Health has entered into an agreement with a general treatment provider.
