# E Things you need to know about extras

## Knowing your annual limits

All of the goods or services claimable under extras cover have annual per person limits.

Once the annual limit has been reached, no further benefits are payable in that year. Limits are re-set on 1 July each year. Benefit payments will resume for treatment received after the beginning of the next financial year.

Benefits and limits are subject to change.

You can easily monitor your available limits on our website, [defencehealth.com.au/members](https://defencehealth.com.au/members)

## Claiming extras benefits

Many health care providers (like dentists, optometrists and physiotherapists) can swipe your member card on-the-spot through an electronic terminal. The benefit payable is automatically credited to them and you then settle any outstanding amount. A list of providers who offer on-the-spot claiming is available on our website, [defencehealth.com.au/extrasprovider](https://defencehealth.com.au/extrasprovider)

If your provider doesn't offer on-the-spot claiming you can claim using one of the following convenient options:

- The simplest process is to claim via your smartphone through our Mobile Claiming App
- For the fastest refund claim online through the secure area of our website, [defencehealth.com.au/members](https://defencehealth.com.au/members)
- Or download a claim form from our website, complete it and then:
  - Email it with your receipts to [claims@defencehealth.com.au](mailto:claims@defencehealth.com.au)
  - Fax it and your receipts to 1800 241 581
  - Post it and your original accounts or receipts to us: Defence Health, PO Box 7518, Melbourne, Victoria, 3004

Please hold on to your receipts for 2 years.

## Claiming conditions

The most common claiming conditions are:

- All services must be provided by an approved practitioner in private practice
- Claims must be lodged within 2 years of receiving the service
- Benefits are only payable on goods and services purchased in Australia. When purchasing online the supplier must be a registered Australian company
- Benefits are only payable where Medicare benefits are not payable
- Benefits are not payable when they can be claimed from another source such as workers compensation, Department of Veterans' Affairs or third party insurance
- Extras benefits are not payable where Medicare has been or is available to be claimed.

We recognise all extras providers who are registered with their professional body and in the case of approved alternative therapies, those recognised by the Australian Regional Health Group. Remedial massage providers must also hold at least a Diploma of Remedial Massage to be recognised.

If you are unsure whether a practitioner is registered with us, visit Find an Extras Provider on our website, [defencehealth.com.au/extrasprovider](https://defencehealth.com.au/extrasprovider), or just give us a call.

Full claiming conditions are available on our website, [defencehealth.com.au/claim](https://defencehealth.com.au/claim)

## Extras waiting periods

When you join Defence Health or upgrade your existing cover, you may have a waiting period before you can claim benefits. Treatment received during the waiting period cannot be claimed. The following waiting periods apply:

- 12 months for major dental and orthodontic treatment
- 12 months for laser refractive eye surgery
- 12 months for most devices and appliances
- 2 months for all other services
- Cover for an accident is immediate, including ambulance service, where it is not claimable from another source such as workers compensation or third party insurance.

Remember, if you transfer from an equivalent level of cover with another health fund and have served your waiting periods, you won't have to serve a waiting period with us.
